COOLING FANS

Solution Plus
CPU COOLER

Excellent Cooling At A Great Price.

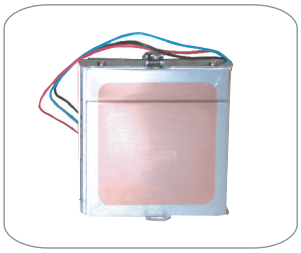
Solution Plus, our best-performing CPU Cooler, offers special features for today's hottest new chips, giving you great flexibility and top performance.

Solution Plus is compatible with:
- Intel® socket 370 FC-PGA, Celeron®, Pentium®, Pentium® MMX®, Pentium®III
- AMD™ Duron™, Athlon™/XP (Socket A,T-bird, T-bred etc), K5 thru K6®-3
- Cyrix™

Special Features:

- One-piece Copper-Embedded aluminium base with fin structure for superior heat conductivity
- 80 fins with total of 150 square inch surface area (3 times more than a conventional heatsink) for maximum heat dispersion
- Ball bearing fan for extended life

Copper-Embedded aluminum base



UPC 761345-77052-1

Model	Solution Plus
Overall Dimensions	62 x 63 x 46 mm (H)
Net Weight	244 g
Thermal Resistance	0.48°C/W
Heatsink Material	Copper Base
Heatsink Size	62 x 63 x 36 mm (H)
Fan Size / Dbl ball-bearing	60 x 60 x 10 mm (H)
Speed	4500 RPM
Air Flow	17.9 CFM
Acoustic Noise	34 dBA
Static Pressure	0.143 inch-H2O
Voltage & Current	12V / 0.19A / 2.3W
Intel up to	Pentium®III
AMD up to	XP 3000+
